Council of Congregational Churches
Proposes to Extend Assistance.
Kansas City, Mo. October 29.—Establishment of a social service commission to have charge of the work of extending church aid to labor, the adoption of an annuity plan for preachers, and the adoption of a "peace" resolution condemning the expenditure of large sums of money for war, today occupied the time of the National Council of Congregational Churches.

The Social Service Commission will be composed of nine members, and will take over the work of the brotherhood of the church. The church plans to make an aggressive campaign to ald in righting "industrial wrongs."

The annuity plan, which in many respects resembles the endowment scheme of insurance companies, provides that preachers shall furnish 20 per cent of the fund through yearly payments and the church 89 per cent. The church's share will be obtained through monthly collections. An effort to procure \$2,000,000 endowments also will be made.

Copies of the "peace resolution" were forwarded to President Wilson and Congress. It calls for a halt in the "swelling expenditures for the paraphernalia of war."
